RFP Title: Janitorial Services for Lake County Facilities
RFP No. 17-0420
Addendum No. 2
Date: November 21, 2016

It is the vendor's responsibility to ensure their receipt of all addenda, and to clearly acknowledge all addenda within their initial bid or proposal response. Acknowledgement may be confirmed either by inclusion of a signed copy of this addendum with their response by completion and return of the addendum acknowledgement section of the solicitation. Failure to acknowledge each addendum may prevent the bid or proposal from being considered for award.

Addendum # 1 changes the date for receipt of proposals to January 10, 2017.

Questions and Answers:

Question1: Addendum 1 stated that American Janitorial, Inc. has been under contract with the County since September 1, 2011, however they are not listed on the current contract's bid tabulation. Please clarify this.

Answer 1: Original award was made to ABC Clean- All, Inc. The company changed names as of September 1, 2012 under contract modification # 6.

Question 2: Do the scheduled site visits listed in Addendum # 1 represent all buildings that are mandatory to view?

Answer 2: It is a requirement of the vendor to visit all 54 buildings before submitting an offer to the County.

- A. There are 4 scheduled mandatory site visits scheduled to visit 18 buildings noted in Addendum # 2. Vendors that intend to submit an offer to the County shall attend all scheduled mandatory site visits. The County will not make exceptions or schedule additional site visits to these secured locations listed in this Addendum.
- B. Prior to submitting its offer, the vendor is required to visit all remaining buildings of the proposed work and to become familiar with any conditions which may in any manner affect the work to be done or affect the equipment, materials and labor required. Certification of the site visit certification in the pricing section of this Request for Proposal will serve as confirmation that the vendor has inspected the sites and present no claim arising from site conditions. Failure to provide a completed certification with the bid response may serve as cause for the vendor's response to be rejected as non-responsive.

Question 3: Are there other “mandatory” buildings that require non-escorted visits?

Answer 3: See Answer 2 above.
